Dear Mr. Wilson:

Re: 1986 Annual Report, Sinbad Mine, ACT/015/030, Emery County, Utah

Enclosed is the annual report form that must be completed and returned to the Division by March 31, 1987. This report should provide details of the mining and reclamation activities conducted during the fall of 1985 and all of 1986. An updated map of the operation should also be included.

We realize that you may have leased the mine to another company, but it remains the obligation of the permit holder to file the annual report. Should you have any questions or need additional information, please contact me or Frank Filas of my staff.

Sincerely,

*L. P. Braxton*
